

# PARTICIPANT WORKBOOK

## LESSON 1-1: GETTING TO KNOW EACH OTHER

---

### WELCOME & PRAYER

### 210Leaders PURPOSE REVIEW

**Purpose** - For the Entire Series and Today

- a. The purpose of this gathering is to become acquainted with one another and to discuss the purpose and expectations we have for future sessions. We will explore what it means when Paul says “For we are God’s masterpiece. He has created us anew in Christ Jesus, so we can do the good things he planned for us long ago.” (Eph. 2:10). This is the source of the Name “210Leaders”.
- b. We will explore the scriptural relationship between our faith and work. We also want to explore the relationship between God and us.
- c. Each week we want to link our study with your everyday situations at work.
- d. Finally, over the seven sessions, we want to delve into some actual situations that you have encountered or expect to encounter and process them in a group fashion to help you face these challenges.

### KICK OFF QUESTION

- As an icebreaker, have everyone share a little about themselves:
  - Your education and background;
  - Your family;
  - Your job and responsibilities; and
  - What do you hope to gain from participating in this series?
  - What is one business issue you that you are challenged by?
  
- Ask everyone in the room to write down two things that are true about them and one thing that is not true.
  - Have one person read their three things;
  - Have the rest of the group try to guess which of the three is untrue.
  - Repeat for the other members of the group.

### KEY SCRIPTURE - An introduction to Kingdom thinking for business

Romans 12:2

*Don't copy the behavior and customs of this world, but let God transform you into a new person by changing the way you think. Then you will learn to know God's will for you, which is good and pleasing and perfect.*

## DISCUSSION QUESTIONS TO CONSIDER:

- What are some ideas that jump out as you read Romans 12:2?
- When you reread this passage from a business perspective, what additional ideas or applications come to mind?

## WEEKLY APPLICATION

1. You are a masterpiece, and God has great things in store for you.
2. Humility and transparency are key for our group to grow in our understanding each other, our business challenges and what God may say about to us.
3. God wants to change the way we think about business. This is learning process. You will get out of 210Leaders what you and your peers put into it.

**What is one thing that you can take from our conversation today to apply to your life at work or at home?**

For Next Week: Read Lesson 1-2 and complete the questions.
